

Welcome

October 2022

We'd like to Congratulate Georgina on the arrival of her daughter Aurora the other week!

Sponsored Toddle

A big well done to all the children last week for completing the sponsored toddle! It's not too late to sponsor your child through www.justgiving.com/stocksgreenpreschool

Waterproofs and clothing

Now the weather is more unpredictable please make sure your child has spare clothes and shoes and waterproofs with them. It is easier if you have separate trousers and jacket that can be brought in to Pre-School as sometimes the all-in-ones can be tricky to put on.

Harvest—supporting Sustain Food bank

As its harvest time we will be supporting SUSTAIN foodbank at Tonbridge Baptist Church. We ask for if anyone can support us with donations of tins/jars of food, breakfast cereals, pasta and baby food (with a long expiry date) from Monday 10th – Friday 14th October.

My Pre-School Story

You will be receiving your child's Pre-School Story, please feel free to add any photos or drawings or wow moments that you would like to share. Please make sure that you bring it back to Pre-School once you have looked through it with your child.

One Tree day

On Friday 14th we will be inviting the children to wear something Green along with the Pink Ladies, and donate £1 to raise money for One Tree Day. Every pound that is donated a tree will be planted, to help with stop the impact of deforestation in many countries across the world. We will be doing lots of fun activities around trees and the importance of them during the week.

Front Ramp

We'd like to remind parents that the front ramp is not to be played on when waiting for siblings to start or finish school. The ramp is uneven and we would not want anyone to trip or fall over. Thank you.

Cake Sale

We will be having a cake sale on Monday 17th October at 3pm to raise money for Pre-School. Please come along and support this event either by making cakes or by buying them!

Injuries

We'd like to remind parents that if your child has had an injury that has happened outside of Pre-School to let us know, either by filling in a form at the gate or by email. Even if it is really small or really big!

Forest

We have had a happy few weeks in the Forest on a Monday afternoon. The children have been learning how we stay safe in the Forest and we have been teaching the children how to climb low branches on trees safely. We have been talking about the changes during Autumn, particularly with trees and what animals eat during colder weather. Please remember to send children in with waterproofs on, even if its dry, the area is usually damp and the children like to sit on logs or the ground. Thank you.

School Applications and visits

If your child is due to start school in September 2023, please go and look at the local schools in the area. The application for schools open on Friday 4th November and close Monday 16th January. Please ring the schools to book a viewing.

Amazon wish list

We have an amazon wish list where we add resources and things which we could do with at Pre-School. https://www.amazon.co.uk/hz/wishlist/ls/35FRIDFO3KYP2?ref=wl_share You can also find other items below.

If you use amazon please sign up to amazon smile, we can receive a donation every time you shop!

Illness

We appreciate that if your child is showing signs of being unwell to keep them at home. This helps to minimise the spread of the illness across staff and children.
